## Information Provision at 'That Place'

Your views are very important in helping us to find out about current information offered to young people at 'That Place' and how this can be improved in the future. The survey can be completed by going to the web address below and entering the following reference number:

.....

[www.surveys.com/ipsurvey\\_user](http://www.surveys.com/ipsurvey_user)

Participation in the survey is voluntary. The survey will be completely confidential and you will not be identified. GfK NOP is an independent company undertaking the survey on our behalf, so we will not know who has responded. If you have any queries, please contact the staff at 'That Place'.

Thank you, in advance, for helping us with this important survey.

Best wishes

Neil Carr

# Evaluation 2

Tell us what you think

At “That Place” we give out loads of information to young people. We want you to tell us what you think of this information and how it can be improved.

If you want to tell us your views you can fill out our online survey. You can find this at

[www.surveys.com/ipsurvey\\_user](http://www.surveys.com/ipsurvey_user)  
just type in the reference number and away you go!

Your personal information will remain confidential so that no body will know who has said what.

If you would like anymore information, you can speak to a member of staff at “That Place”

Thanks for taking part

# Future Developments

- Art Workshop to produce posters; post card request for information and web site information/interaction.
- Paid focus group to investigate the impact of information provision
