6	How do you plan to consolidate and mainstream your work with current health conditions and existing staff?	<p>IPs are now integrated into Care Program Approach (CPA) process across all pilot sites.</p> <p>Discussions are being held to incorporate IP's into the patient data recording system – 'PARIS' when it comes online in Leeds later this year (September 2008?).</p> <p>Set up resource areas at all four pilot sites plus two further locations (Towngate House and Millside). These will be accessible to all trust staff and service users.</p> <p>Develop links with older peoples Black & Minority Ethnic (BME) groups citywide.</p> <p>Target GP's surgeries by publicising literature about the Memory Service / IP pilot.</p> <p>Support and train older peoples Community Mental Health Teams, Liaison Psychiatry, Social Services teams, their day centres and the voluntary sector in the dissemination of information prescriptions.</p> <p>Determine the different options for dispensing the information contained in the prescription and how patients can chose which method is best for them.</p> <p>Ensure that the process is inclusive so that anyone can access information prescriptions.</p> <p>Liaise with other IP Pilot sites nationally.</p> <p>Two 'drop in' groups have been set up across both pilot sites to enable service users and carers to access further information outside of clinic appointments.</p>
